

The **Young Women's Choral Projects of San Francisco**, led by Artistic and Executive Director Susan McMane, is quickly becoming recognized as a world-class choral organization for young women. Founded in 2012, YWCP now includes five levels of choral experience for young women ages 5-18 from across the San Francisco Bay Area. The mission of YWCP is to transform the lives of young women through exceptional artistry in choral performance, and bring the expressive power of their music to the community, the nation, and the world. Through YWCP, participants of richly diverse socio-ethnic backgrounds find their voices as singers, artist and women in a nurturing environment that empowers them to artistic and personal excellence.
